Key Insights

- a. Average performance rating is 3.31/5 across 2,500 employees.
- b. 47.3% of employees meet performance expectations, representing the largest performance category.
- c. 534 employees (21.36%) are currently promotion eligible.
- d. 160 employees are classified as Outstanding performers.
- e. "Performance ratings rise with tenure, peaking at the 3–5 year mark (3.42), before slightly declining in the 5–10 year group — worth investigating retention or engagement at senior tenure."
